

GUIDELINES FOR

ZONE ENTERPRISE APPLICATIONS

SPECIAL TECHNOLOGY ZONES AUTHORITY

DATED: 12 OCTOBER 2023

GUIDELINES FOR ZONE ENTERPRISE APPLICATIONS

1. INTRODUCTION

- 1.1. The Special Technology Zones Authority (“**STZA**” or “**Authority**”) is an autonomous statutory body established under the Special Technology Zones Authority Act, 2021 (“**Act**”). STZA has been mandated to provide institutional and legislative support for the technology sector with internationally competitive and export-oriented structures and seeks to develop an ecosystem, to attract FDI, connect academia, research, and technology industry, increase the productivity and decrease the costs of production through high-tech interventions, intensive innovation and futuristic entrepreneurship, enable job creation, and commercialize technological knowledge. STZA’s core strategic objectives are to promote (i) technology transfer, (ii) foreign direct investment, (iii) human capital development, (iv) innovation and entrepreneurship, research and development, (v) job creation, (vi) technology exports, and (vii) technology imports substitution. These objectives will be achieved through creation of Special Technology Zones (“**STZs or Zones**”) across the country which will host science and technology parks, incubation centers, R&D centers, technology production centers, universities, technical training centers, etc.
- 1.2. Under the Act, STZA has the power to declare and notify STZs under various STZ Categories provided under the Rules. Furthermore, STZA also has the mandate to license legal entities as Zone Developers to build, develop, operate and maintain STZs. STZA has further mandate to license legal entities as Zone Enterprises to perform technology business operations within notified Zones under their respective ZE Categories as provided in Rules.
- 1.3. In line with its licensing function, STZA has notified the Special Technology Zones Authority (Qualification and Approval) Rules, 2021 (“**Rules**”), which outline the procedure for administration of STZs, their institutional framework, and the criteria and procedures for licensing of Zone Developers and Zone Enterprises.
- 1.4. These Guidelines for Zone Enterprise Applications aim to provide Applicants with the necessary information and documentation requirements for preparation and submission of applications for grant of a Zone Enterprise License. The Guidelines shall be effective from the date of notification and shall replace any previous guidelines in the matter. STZA may require additional documentation related with their applications on a case-to-case basis as may be deemed necessary.
- 1.5. The words and expressions used but not defined herein shall have the same meaning assigned to them in the Act and Rules.

2. GUIDELINES FOR APPLICATIONS

- 2.1 These Guidelines are for Zone Enterprise Applications only. Separate Guidelines have been prepared for Zone Developers and New Zone Notifications which are available on STZA’s website at www.stza.gov.pk.
- 2.2 A Zone Enterprise is a public, private, or public-private legal person developing, operating and managing a technological enterprise/business within a notified Zone and licensed by the Authority for a particular ZE Category as provided in the Rules.

- 2.3 In order to obtain a Zone Enterprise License, the Applicant is required to submit an Application to the Authority (“**Application**”). For the purposes of the Application, the Applicant must be registered as a legal entity in Pakistan such as registered association of persons, consortium, a body corporate formed or incorporated by or under any law in force, company, corporation, society, modaraba, Real Estate Investment Trust (REIT), Government, trust, partnership, or any juridical personality. (“**Applicant**”).
- 2.4 It shall be noted by Applicants that these guidelines also apply to foreign legal entities who plan to start their technology business operations in Pakistan and wish to apply for a license to STZA; however, prior to submission of the Application, such foreign entities are required to incorporate/register legal entities in Pakistan for consideration and evaluation of their application by STZA.
- 2.5 An Applicant may apply for a Zone Enterprise License in the following categories:
- (a) **Application for a Zone Enterprise License for office space in a notified Special Technology Zone (STZ):** This type of License is best suited for technology businesses that require ready to use office space in a STZ and aim to take advantage of the ecosystem in special technology zones; or
 - (b) **Application for a Zone Enterprise License for a purpose-built facility in a notified STZ:** This type of License is best suited for technology businesses that require a self-built facility in a STZ (to be built/constructed by the Applicant or the Zone Developer for the Applicant, as applicable) to cater to its business’ unique infrastructure related requirements and aim to take advantage of the ecosystem in STZs.
- 2.6 If an Applicant is desirous of developing, operating and managing an area of land which has not been notified as an STZ by the Authority, the Applicant will be required to submit two separate Applications to STZA, one for notification of a Zone and grant of a Zone Developer license (notification as Zone) while another for grant of a Zone Enterprise License for the technology business activity of the applicant.
- 2.7 In order for an Applicant to be eligible for a Zone Enterprise License, an Applicant should preferably be engaged in the following categories: R&D, operations, development, financing, and investment in Artificial Intelligence and Machine Learning, Big Data Analytics, Quantum Computing, Cloud Computing, Internet of Things (IoT), Robo Advisory, Distributed Ledger Technology (DLT), Natural Language Processing (NLP), Augmented Reality / Virtual Reality (AR / VR), Robotics, Wearables, Mobile Payment, Fintech and Block chain, Biotech and Genomics, Edtech, Science and or Technology Institution, Technology Skill Development Centers, Telemedicine, Biomedical Technology, Internet of Things (IoT), 3D-Printing, Electric Vehicles, Automobiles, Sustainable and Renewable Energy, Green Energy, Agri-Tech, Converging Technologies, ICTS, IT and ITeS, Nanotech, Medical Devices, Pharmaceutical, Creative Industries. Ed-Tech, Semiconductors, Ecommerce, Satellites, Electronics, Smart Phones and Laptops, Fine Chemicals, New Materials, Precise 3 Instruments, Environmental Technologies, Tertiary Industries, other major S&T industrial domains, industries, and sectors, and other existing and upcoming or emerging digital and technology areas.
- 2.8 Based on the above, the Applicant is required to specify in the Application, the ZE Category for which the Applicant is applying for a Zone Enterprise License. If the primary business of the legal entity applying for the Zone Enterprise License is not among the ZE Categories as per the

Rules, the Applicant will be required to register a separate legal entity in Pakistan. Applicants may further be required to incorporate a separate legal entity in Pakistan if it intends to only shift part functions of its business to a Zone.

3. DOCUMENTS REQUIRED FOR ZONE ENTERPRISE APPLICATIONS

- 3.1. The list of documents required to be submitted with an Application for a Zone Enterprise License are provided in **Schedule A** of these Guidelines. The list of documents provided herein represents the minimum requirements to process an Application; STZA may request the Applicant to provide further information as it deems necessary for evaluation of an Application.
- 3.2 Applicants are encouraged to submit as much documentation as possible in support of their Application. The checklist provided in **Schedule A** is required to be completed by the Applicant and a signed copy is required to be attached with the Application. In the event that a particular document is not applicable or available for an Applicant, including for public sector entities, the Applicant may provide alternate/equivalent documents, or the inapplicability/ unavailability needs to be specified in the checklist, along with reasoning/justification and/or estimate timeline of submission, as may be applicable, provided that the Authority shall make the final decision in respect of the applicability of such documents, provided further that incomplete Applications will not be processed by the Authority.

4. SUBMISSION OF APPLICATIONS

- 4.1. Applications shall be submitted on STZA's website at www.stza.gov.pk, along with all supporting documentation. Unless otherwise notified, three (3) physical copies of the identical online Application along with all supporting documentation must be submitted to STZA within five (5) days of submission of the online Application (including any additional information as may be required from time to time); failure to submit physical copies of the Application may result in the Application being discarded, at the discretion of STZA. The Applicant shall receive an acknowledgement of Application from STZA upon receipt of the electronic and physical copies of the Application.
- 4.2. In event of a conflict or contradiction in the contents of the electronic and manual submissions, the contents of the electronic submission shall be considered authoritative and shall take precedence over any manual submission.
- 4.3. Applications in physical form should be sent to the following address, unless otherwise specified on STZA's website:

**One Window Department
Special Technology Zones Authority
16th Floor, New State Life Tower
Blue Area, Islamabad**

- 4.4. An Applicant may withdraw an Application at any time by providing a written Application to STZA, specifying the reasons and justification for withdrawal of the Application. In case an Applicant withdraws its Application, the paid Application fee shall not be refunded. STZA shall not be liable in any manner whatsoever in respect of the decision of the Applicant for withdrawal of the Application, and the sole responsibility and any liabilities in respect thereof shall solely rest with the Applicant. A new Application for a license with the same or similar purpose by the

same Applicant may only be filed after a lapse of six (6) months from the date of confirmation of withdrawal of the Application.

5. GENERAL TERMS & CONDITIONS AND INSTRUCTIONS

- 5.1. The Applicant must read the Special Technology Zones Authority Act, 2021, the STZA (Qualification and Approval) Rules, 2021, and other associated documents as provided on the website, prior to submitting an Application.
- 5.2. The Applicant shall be responsible for submitting a complete Application in all respects, in line with the instructions contained herein and on the website.
- 5.3. The Applicant is responsible for the correctness of the information submitted. If any information is found to be incorrect and/or false, STZA shall have the right to cancel the license and/or take any other action having regard to the circumstances of the case.
- 5.4. The Applicant shall abide by all conditions (including any by-laws, notifications, regulations, and rules) as may be issued by STZA or other stakeholders, from time to time. In addition, the Applicant agrees to be bound by all terms and conditions as may be available on the Application website from time to time, and any regulations issued by STZA, including any amendments made to them from time to time. The Applicant shall also be responsible for compliance with all applicable laws.
- 5.5. The Applicant agrees to abide by the decision of STZA in accepting or rejecting the Application and/or any conditions as may be imposed for issuance of licenses.
- 5.6. The Applicant agrees that this document is merely advisory in nature and prescribes a minimum acceptable criterion. The Applicant shall feel free to submit additional documents as it deems necessary to further strengthen the Application.
- 5.7. STZA may amend these Guidelines from time to time, and any updated versions/revisions shall be available on STZA's website.

PART IV

GUIDELINES FOR PREPARING THE BUSINESS PLAN

Reference to Part I & II

An Applicant for Zone Enterprise license is encouraged to follow these guidelines while preparing the Business Plan for the proposed project. Please note that the structure given below is generic and provided only for facilitation and guidance, and requirements may vary depending on whether the Applicant is applying for land or office space in a notified STZ. The Applicant may add further sections to make its case strong and convincing, or submit a business plan in any alternate format containing the information below to the extent applicable.

- 1. Cover Page:**
Clearly state the name, address, website and logo of the organization, company, consortium, or enterprise, as applicable.
- 2. Table of Contents:**
List all the key headings and subheadings with correct page numbers in this section.
- 3. Company and Sponsors Profile:**
In this section, kindly specify the main line of your current business. Highlight all the key milestones of the company's development till date, and the strategic plans for the next 5 years. This section should also cover the purpose of the business plan, your expertise and services, previous track record, experience and completed projects, list of clients, resumes of directors, senior management and key employees, and other relevant items.
- 4. Mission and Vision Statement:**
Describe your mission and vision for doing business as a Zone Enterprise, and clearly demonstrate the objectives of applying to STZA.
- 5. Proposed Business Structure:**
Describe in detail the facility, management, and organizational structure of the proposed project. Also include the structure of the company in terms of executive leadership, management, current number of employees, future staffing requirements and the physical operational requirements to operate the proposed project. Outline the key personnel in the company and any relevant experience/ training they have in the related field. This should also be accompanied by a SWOT analysis of the business plan.
- 6. Market Demand Assessment**
Provide an overview of the key competitors, locally and globally, for the proposed project. Also provide a market analysis including market trends, target markets and customers for the proposed project. This should also include the suitability of the proposed project to support the targeted technological sectors.
- 7. Sales and Marketing Plan:**
Specify your sales and marketing strategy for the proposed project and describe how the strategy will help in achieving the objectives of STZA. Also provide an estimated sales forecast for the first five years of operations of the proposed project.
- 8. Economic Impact Analysis and Operational Plan:**

A Zone Enterprise is required to create a zone plan that attracts industry, academia and government, in the triple helix model, to create a technology eco-system within the zone. Accordingly, through the Applicant's plans for the zone, the Applicant is requested to provide the following information in the form provided in **Part V** to demonstrate how the Applicant aims to fulfil the core strategic objectives of STZA.

9. Growth Plan:

In this section, outline the intended future development and growth plan of the proposed project including but not limited to future development plans, research & development activities, new market entrance, technology transfer, new hiring requirements, potential funding sources etc. The plan should also highlight the sustainability and expansion strategy of the proposed project.
